Hi Mike,

Attached is the Wilshire Center 2018 Assessment Calculation Final for your annual report.

Please use this information to send me an updated 2018 Statement of Revenue and Expense Report page and a page 4 signed signature page with an updated expense and revenue paragraph for insertion into the Annual Report you had sent me previously.

Regarding the report itself, I just want to make sure that I'm understanding correctly that for 2018 the BID is leaving the assessment rate for Zone A1 unchanged from 2017 and slightly decreasing the rates in Zones A2 and A3. Let me know if that is correct. It makes significant difference in the renewal process and Clerk's Report to the City Council.

Contact me if you have any questions.

Thank you.
